ATV/Golf Cart Rack

What are you waiting for?

Are your toys too big for the Overbilt Motorcycle Lift?? We have your solution...

The Overbilt ATV/Golf Cart Rack is a stationary platform with a ramp system including storage for ramps. With our optional tow bar receiver you can still take your car or truck too!! The tow bar receiver enables you to flat tow or use a car dolly to tow up to 6,000lbs. The ramp system requires the Overbilt customized triple tube receiver, so it can be interchanged with the Overbilt Motorcycle Lift. Can hold up to 800 lbs.

****The ramp system includes 2 ramps, 2 trays and 3 extensions****
